Introduction

UREC Mission Statement

We are the playground for App State students developing strength in body, mind, and character.

Foundational Beliefs

- It is a University responsibility to promote a complete and intelligently conducted recreational program in which all students, faculty and staff have the opportunity to participate.
- College students are in a formative and active phase of their lives when vigorous participation in active games and recreation is necessary and beneficial.
- College students need to be encouraged to participate in wholesome recreation rather than recreation which degrades and diminishes.
- It is our responsibility to promote respect and tolerance of diversity in people.
- It is our responsibility to promote our ethic of stewardship of our facilities, equipment, and natural resources.

IM Sports Mission

IM Sports activities offer the opportunity for students to compete against their peers in a friendly and structured environment. Through team sports, individual/dual activities or special events, participants can find the activities that fit their needs. Most activities take place on the Boone campus of Appalachian State University with a few exceptions. In all of our events, we stress sportsmanship and fair play.

Learning Outcomes

It is our desire that every student who participates in University Recreation programs will benefit by:

- Improving physical and mental health through the joy of participation in recreational activities.
- Learning the skills and establishing the habit of participating in a variety of activities in the present so an enjoyment of promoted recreational activities will continue after leaving Appalachian State University.
- Making social contacts and developing friendships that the camaraderie of recreating together affords.
- Developing a sense of teamwork and group spirit that recreating together produces.
- Further developing their leadership capabilities.

IM Sports Code of Ethics

Good sportsmanship is vital to every contest. In order to encourage proper conduct during IM Sports contests, supervisors, officials, scorer/timers, and administrative staff will make decisions as to warn, penalize, or eject players/teams for poor sportsmanship. The UREC Council will rule on further penalties to be prescribed as a result of unsportsmanlike conduct as outlined within this handbook. The team captain is responsible for the actions of all individual members of the team and for any spectators directly related to their team. The conduct of the players and spectators before and after each game is as important as the conduct during the game. Each team will be held responsible for conduct at these times, as well as during the game.
Injuries/Assumption of Risk

**WARNING: YOUR PARTICIPATION IN INTRAMURAL SPORTS COULD RESULT IN PHYSICAL AND/OR MENTAL INJURY WHICH COULD BE SERIOUS OR FATAL!!!**

Appalachian State University assumes no responsibility for injuries received during Intramural activities. Students, Faculty, and Staff are reminded that Intramural participation is completely voluntary. It is strongly recommended that all participants have a physical examination and secure adequate medical insurance prior to participation. All injuries should be reported to the Intramural Sports Supervisor in charge of the activity and a complete report of the injury should be recorded on the proper form and filed with the Intramural Sports Office. This report, when appropriate, should be completed at the site of the activity.

Scheduling

Regular Season

Schedules for regular season play will be based on the number of teams entered, the number of fields/courts available for play and the availability of times. Schedules may be in round robin, single elimination tournament or double elimination tournament format.

Playoffs

In Elite & Competitive Leagues, to qualify for post season play, teams must play all scheduled games. If a team has an advanced default, default, or forfeit, they must have a winning record in order to qualify for playoffs. Additionally, teams must maintain a 2.5 Sportsmanship Rating to qualify and remain in the playoffs.

The Recreational League will not be scheduled for playoffs.

Postponement/Rescheduled Games

TOURNAMENT GAMES MUST BE PLAYED AS SCHEDULED – NO POSTPONEMENTS OR RESCHEDULES WILL BE CONSIDERED.

Since all IM Sports teams have the opportunity to provide scheduling conflicts in which they will be unable to play when they submit their availability form, postponements and rescheduling of contests are extremely rare. However, the IM Sports Office is willing to cooperate in extraordinary circumstances by allowing occasional postponements of contests, but because of the many entries and short playing seasons, these will be kept to a minimum.

A valid reason must be presented to postpone a regularly scheduled contest. The Team Captain must contact the IM Sports Office, set up a time to view the field key to locate a time/date which games are already scheduled and officials (if offered for the sport) can be scheduled. The Team Captain must then obtain the signature of the opposing Team Captain, with the proposed date/time of the potential contest on the Game Change Form (obtained in meeting with IM Sports staff). The completed Game Change Form with the preceding information must be submitted by 12:00pm the Wednesday prior to the week your game is scheduled.

Rescheduled games will be communicated as soon as the decision to reschedule has been made. In the case of inclement weather and games are not rescheduled, each team playing that night will receive a win and a sportsmanship rating of 3.
Leagues & Divisions

Different Leagues Offered

A team may enter any one of the three (3) different leagues in each sport based strictly on the talent level of your team. The three leagues will be defined as follows:

- **Elite** – Peak competition level for the highly competitive/skilled participant. All Professional and Ex-Varsity players are limited to the Elite League.
- **Competitive** – Competition for the moderately skilled participant.
- **Recreational** – Opportunity for the introductory/recreational participants who are there for the fun & enjoyment of the sport.

Please see “General Eligibility Requirements” for more information on who can participate in each league.

**NOTE:** In some activities it will be necessary to have only an Elite/Competitive or Recreational league due to an insufficient number of entries. Watch for notices on our activity information sheets concerning this matter.

Different Divisions Offered

An individual may join one single gender division and one Open/Co-Rec division.

- **Women’s** – No point differential & composed of those identifying as female.
- **Men’s** – No point differential & composed of those identifying as male.
- **Co-Rec** – Potential point differential, participation requirements & composed of those identifying as male or female. Specifics are dependent upon sport.
- **Open** – No gender specific rule adaptations & composed of those identifying anywhere on the gender spectrum.

**NOTE:** Once that person has participated in one game for a team, they are not eligible to transfer to another team for any reason.

IM Sports Policies and Procedures

It is the responsibility of each team to know the existing Appalachian State University IM Sports Policies. **IGNORANCE OF ANY INTRAMURAL SPORTS POLICY IS NOT AN EXCUSE.**

Entry Procedures

Teams may not have more than one (1) Ex-Varsity player on their roster and they must compete in the Elite League.

Any game played with an ineligible player will result in a forfeit for the team with the ineligible player. Teams may not play ineligible players even by mutual agreement of both team captains and other players in the contest. Such players shall be ineligible for all IM Sports competition until reinstated. During playoffs, the last contest in which an ineligible player participated shall be recorded as a forfeit win for the opposing team. NO reorganization of the tournament shall occur. Ineligible forfeits results in a $21 fee per infraction.

PAW (Participant Agreement and Waiver) forms are available from an Activity Supervisor on duty at the game site. Individuals must be on the printed scoresheet prior to the game or must show proof of adding to that specific IMLeagues team’s roster prior to participating.

If on-site roster additions are not completed by the designated game time resulting in not enough participants to start the game, the opposing team will be given the option of the win (or if playing a series, awarded a win for the first match) or the option of starting the clock with agreeing to wait for the addition to be completed.

Any player, coach, or spectator who is ejected from an IM Sports contest is automatically suspended from all IM Sports activity until official reinstatement. Any player, coach, or spectator that verbally or physically abuses any IM Sports Staff will
be suspended. Any player who purposely touches any official during an activity will be automatically suspended from all IM Sports activities for one year. The guidelines which apply to reinstatement are as follows:

- To be reinstated, one needs to meet with the designated IM Sports Staff member as soon as possible following the ejection. Ejected party cannot participate in any event until reinstated.
- The period of suspension for each person who is ejected from all IM Sports activities, shall be determined by the IM Sports Staff member. The minimum suspension for any ejection is one game plus a three month probationary period.
- No individual will be reinstated prior to a personal visit with the designated IM Sports Staff member or his/her appointee.
- Appeals shall be considered by the UREC Council by appointment only.

**NOTE:** Individuals wishing to appeal a staff decision must submit a written request after notification of the decision.

**Protests**

All protests must be made by the Protesting Team Captain in the presence of the Sports Official(s), the Activity Supervisor, and the opposing Team Captain at the time and place of the incident. The protest must be made immediately (before the ball becomes alive) following the incident. Protests will try to be resolved at the game site if possible. If satisfaction is not gained by the protesting team after the Sports Official(s) and the Activity Supervisor have made their decision, further consideration may be obtained by filing a written protest by 5:00pm on the day following the contest. Protests made in games played on Friday, Saturday, or Sunday must be filed in the IM Sports Office by 5:00pm the following Monday. All protests must be typed or printed legibly and include the time and date of the contest, all details of the game including the score, time-outs remaining, fouls, position of the ball at the time of the protest, the team and/or individuals involved, and the final outcome of the contest.

The UREC Council will be called at the earliest possible time for a meeting to rule on the protest. Team Captains from each team will be present to represent their respective teams. On protests filed immediately preceding the start of the play-offs where a meeting of the UREC Council is not possible, the UREC Council Programmer will conduct a phone poll of the Council. Protests may be filed on misinterpretation of the rules and player eligibility. NO protests will be accepted on the judgment calls of an official! Teams who wish to check the eligibility of a player during regular season play may come to the IM Sport Office and we will be happy to do a thorough check on the individual in question without charge. Protests on player eligibility during the play-offs must be done prior to the start of the contest, or prior to the individual in question entering the contest, and made known to the Sports Official(s) and Activity Supervisor.

**Forfeits & Defaults**

The object of any IM Sports program is to involve the members of the student body, faculty and staff in active programs. If a team forfeits a game, the objectives of the program are not met and students are deprived of active participation. It is with this principle in mind that the following policies governing forfeits and defaults have been made:

**Forfeits**

A forfeit results in any contest when an individual/team does not show up at the scheduled game time. To obtain a contest victory by forfeit, the minimum number of players for that sport must be present and check in with the IM Sports Staff.

Forfeits shall be assessed for the following reasons: use of an ineligible player, a player who participates under an assumed name, non-appearance at a scheduled contest (non-appearance is defined as not having any players present) and unsportsmanlike conduct.

Any team receiving their second forfeit will be automatically dropped from further competition in that sport.

The penalty for a forfeit will be a twenty-one dollar ($21) fee assessed to the forfeiting Team Captain. Whereas the penalty for a special event and the individual/dual sports will be a eleven dollar ($11) fee assessed to the forfeiting team captain.
The forfeit fee is due within twenty-one (21) days of the notification by email of the forfeit or it will be transferred to the Team Captain’s student fee account. Regardless of notification, all forfeits that are unpaid as of Reading Day each Semester will be billed to the Team Captain’s student fee account.

**Defaults**

Any individual/team knowing in advance that they will be unable to play a regularly scheduled contest is provided the opportunity to default that contest.

In order for a contest to be considered a default, the Team Captain must come by the IM Sports Office by 2:00pm the business day of the game (Fridays by 2pm for matches on Sunday) and completely fill out an Advanced Default Form. No defaults will be taken over the phone! A loss will be assessed for the default, but a forfeit and forfeit fee would be avoided.

A team will be given a default if they do not have the minimum number of players required to start a contest.

A team is allowed to default only one contest during a sport’s season. The second default will be treated as a forfeit.

If a team defaults three (3) times they will be dropped from competition in that sport.

**Sportsmanship Ratings**

**Rating Method**

Each team will be rated by Sports Official(s), Activity Supervisor, and Scorer/Timer (if available) following each game; Team Captain’s will have the opportunity to rate the opposing team. These ratings will be averaged to calculate a single rating for the game.

One criterion to be eligible for play-offs is a team must have an average sportsmanship rating of 2.5 or greater. During play-offs, a team must maintain an average of 2.5 or greater if they wish to remain in the tournament.

Team Captains are encouraged and welcomed to keep up with their team’s sportsmanship ratings. They may come by the IM Sports Office at any time during the business day to check their teams’ sportsmanship ratings.

Ratings can and will be changed by the IM Sports Office due to further investigation of a contest.

NOTE: Any Team receiving a 0 rating must have the Team Captain meet with the designated IM Sports Staff member prior to the next scheduled game for that team. Awards

Team and Individual Awards
Individual awards will be presented to the Elite Champions in all scheduled IM Sports activities (based on availability).
Awards will be available to pick up in the IM Sports Office following the championship games in Men’s, Women’s, Co-Rec and Open leagues. The awards will be available for up to thirty (30) days following the completion of the championship game.

For team activities, the number of awards that will be allowed will be two (2) times the number it takes to play in the game at one time. Teams with less than these amounts will receive an award for each member of the team (ex. Softball requires ten (10) players, thus the team may receive up to twenty (20) awards), based on availability.
